## FROM THE PRESIDENT'S DESK

Of the many events that took place last month in October, I was able to get to the Meals for Wheels show on October 15 at First Baptist Church on Ockley Drive in Shreveport. Instead of entering my car in the show, I volunteered to run the Wipe out Board drawings. There were 8 other member cars entered in the show, and most of the cars were registered and parked by 10:30am. The weather was wonderful, and the car club council was able to give over 7,000 dollars to the Rescue Mission. Our wipe out board helped generate over 320.00, and the Mustang club also donated 500.00 to the Mission.

Thanks to all the club members who came out and participated in that show. Special thanks to those who came up and relieved me on the wipe out board so I could get a break or two, and visit with other club members at the show.

The following Friday night was track night. We ended up with 11 cars at the track, and 14 total club members. Lane Butler, Martin Philyaw, and Dustin McFadden ran their cars down the track, but none of the Mopar club members came out with us, so they just ran against anyone else that was there. We even saw a few members that we hadn't seen in a while and got to catch up.

Maybe next time we can get the Mopar club to come out for some friendly competition on the track.

The next day, I went out to the Car Wars open car show at O'Reillys auto parts on Mansfield Road. Besides myself, Hugh Williams, David Barnhill, and Troy Watts were there checking out the other cars in the parking lot. There was no entry fee, just free hamburgers, hotdogs, drinks and some grab bag prizes for everyone who participated. It started to get pretty hot out there toward the end of the day, but all in all, there were some really nice rides out there. The burgers weren't bad either.

This Month, we will have the Phi Mu car show, and we are also planning on a lunch Show and Shine for our friends at Podnuh's BBQ where we hold our monthly meetings. We will also be looking for club member cars to put in World of Wheels in January, so keep em clean, and enjoy the cooler weather while you can before winter sets in.

Quite a showing for the trip to the racetrack!

# ANNUAL ELECTIONS FOR BOARD OF DIRECTORS

After last month's extensive collection of excellent election platforms, everyone was looking forward to an exciting month of campaign promises and media coverage. But, alas, it is not to be. A couple of the platforms have been withdrawn and there are now no contested positions on the Board, and no need for a formal ballot or vote count.

Here are the unopposed applicants for the 2012 Board of Directors:

# UPCOMING ACTIVITIES

Hey Mustang Fans,

We are approaching the end of the year but the events have not stopped. This is what is planned for the month. We start the month off with our club meeting at Podnuh's on Mansfield Rd at 5:00. Then we will be cruising to Silver Star for dinner. Also, on Saturday their is a Veterans Biker event at River Park Church from 9-5 but not to be confused with the Show for Vets being held at Chevyland during the day.

On Saturday the 12th we are hosting a Show N Shine at our club meeting spot Podnuhs on Mansfield from 10-2 for lunch. We host these a few times a year to show our

appreciation for letting us use their facility each month free of charge. Our monthly board meeting is on Wednesday the 16th at Reed Industrial at 6:30. Board meetings are open to all club members who want to discuss current club events. Then the yearly Phi Mu car show is held on Saturday the 19th at LSUS and benefits the Children's Miracle Network . Details are in the newsletter.

I hope everyone has a Happy Thanksgiving and don't eat too much Turkey.

## MCA NEWS

Just got back from the Regional Director's conference. Heard lots of great ideas and I'll be bringing them to the board for their approval. We need to build our MCA membership. Besides being part of a great national organization, we have access to the insurance for our club that protects us in liability for our shows. If we were to get this coverage on our own, our club could not afford it. You ask if the insurance is the only reason? Think of the issues that have been coming up in Washington D. C. about our classic cars. The MCA has leverage with these lobbying groups to keep our cars on the road. Did you know that the Ford Corporation listens to the ideas of the MCA. Remember the Ford Probe? It was almost the new Mustang, but the MCA helped keep that from happening. It didn't last long and the Mustang came back strong.

HOT!!!! Next year we have Pensacola, FL. and Mustang OK. The schedule for 2013 is really going to blow your mind. The ones that have caught my interest is Beaumont, TX in April and the Grand National for that year is in Orlando, FL at the Richard Petty Racetrack. Disneyworld, here we come! Lots of discounts with a night time Disney parade just for the MCA.

As far as the 50th celebration — still no place yet, but Ford did get as far as asking for some MCA officials to be on the planning committee. Will keep everyone posted.

Take care,  
Donna

Sponsorship keeps our club functioning. Its up to club members to fill in the blank spots on the sponsor page.

## TREASURER'S REPORT

Okay it's the season to be giving once again. We have (2) adopt-a- families this year. Our club has been fortunate to be able to sponsor an additional family along with our regular family. I will have a list of items requested by both families as soon as possible. As always, the request is not a requirement but a wish, and we try to make wishes come true for those who are less fortunate.

The new family 's breadwinner is in bad shape from a motorcycle accident that was not his fault. He has two daughters, 3 and 5 years old, and a wife who is expecting in April. He will be unable to work for almost a year and may lose their home. I have requested they send me a list for the girls and baby needs so we can at least help with Christmas and baby items.

The other family has 2 young kids living at home, a mother on disability and a grandmother who makes less than minimum wage and a teenage son.

## News from the 2011 SEMA Show

Dynacorn Classic Bodies, Inc. has been an answer to many prayers from those in the classic car industry for the last several years. The Camarillo, CA based company provides both replacement body parts for restoration projects as well as complete body shells for custom projects without having to modify a perfectly good classic car.

Now Dynacorn is looking at producing a complete body shell for the 1965-1966 Mustang, as evidenced by a prototype body shell that was on display at SEMA. As of right now the company won't release any details on the shell because licensing has yet to be finalized with Ford, but according to Dynacorn's web site it should be official "towards the end of this year." Although a convertible model was on display, insiders expect a fastback model to be offered as well.

As always what ever you can do is very appreciated!!!.

Kevin and I will always shop for the items on the list if you do not have time and just want to donate money to the fund. If you need more information on the families please call me after 5 pm any workday or anytime on the weekends. 688-6550.

Thank you,

*Vickie*

Both Girls- also like books; could use any learning items like number flash cards or alphabet games

## Items needed for our Adopt a Family #2

Hello everyone I want to start this Christmas list out by saying THANK YOU SO VERY MUCH for helping my family it is such a blessing to have such angels around me and my family!

### Samuel

Clothes Sizes

Pants 14 hefty or 16 boys

Shirts 14/16 or large and some XL boys

Boxers Boys xl or Mens small

Socks boys xl

Shoes Size 8

T-shirt (tank t-shirts)

Well I have ask Samuel what he wants for months now he doesn't really tell me anything besides a PS3 and of course a game to go with it maybe Black Ops. He is going through that age of change he is preteen now. These are some things I know he would enjoy but they make them called speed skates. Aeropostle clothes, shirts with skulls on them. Football, basketball, and a soccer ball. Net for the basketball goal. Maybe a badminton set for all of us to play. Mp3 player, earphones that would go with it but they need to be the kind that fits over the ear not the little ear bud kind. Bike with pegs. Sheet and comforter set for twin bed. Body size pillow with cover. I really don't know what else to list just things a boy that is almost a teenager who likes outdoors stuff and video games.

### Hannah

Clothes Sizes

Pants 14P

Shirts 14 or XL girls

Shoes 3 or 3 1/2 or 4 she needs some Mary Jane style dress shoe for shoe and some tennis shoes

Hannah has out grew all of her clothes she needs everything especially she has no winter clothes. Sleep wear in xl girls, panties xl 16

Hannah is all in to horses this year. She ask me to buy her a real horse for Christmas so she could ride it anytime she wants. That is not possible so I would say horse toys with riders and anything horse. ToysRus has a large selection and I have seen lots of things online also. Pair of roller skates size 3 1/2 or 4. Mp3 player with the large head phones. New pillow. Hannah loves the girly things she is seven and loves pink. Hannah loves to play dress up and she also loves to sing so maybe a little microphone thing you sing into. Hannah needs a new bike she wants a bike with pegs for a girl size 20 inch. She would like a pair cowboy boots. She into being a country girl! Oh and she loves Justin Berber!

As far as a the PS3 I listed for Samuel it could be a joint gift for Hannah and Sam with a game or two they can each play. As a family we

would like Monopoly Junior, Plain Monopoly board game, LIFE board game, Yahtzee, any of the board games like chutes and ladders and such the family could play together on game night. Also movie passes is a good selection.

### Linda( nana)

Well mom is hard for me to list she needs a new sheet set for her full size bed, gift certificates to some clothing stores. She needs a good pair of tennis shoes for work her feet hurt her alot size 10 wide. My mom loves to smell good also like things from bath and body works from the mall if I have the name right. Lotions and perfumes. She needs a good outfit to wear out some where. She's not hard to please. Maybe a 3x Jacket for the winter.

### Sherry (me)

Things for my house makes me happy. We are running low on dish towels, bath towels, wash clothes, silver ware, I would really like a large pot to make soup in mine is to small for this family. I have no winter clothes I have only one pair of jeans to wear. My sizes are 14 jeans or pants, XL shirts. I really don't know what to put on a list for me. I am only used to doing for my family and not me. Vicki should have some ideas for me. Maybe a new DVD player mine broke along with my computer so I cant watch anything. Sleep wear is something I need also.

### Trey

Pants size 36/32 or 36/just longer than 30 inches.

Shirts XL

Shoes 12

boots 12 work like steel toe

boxers and socks of course.

Trey needs clothes bad. I know he would like a CD player radio combo. He needs shoes something terrible. He is extremely hard on them also some steel toe boots.

IN my home I also have my cousin and Chaz. My cousin needs some clothes, 34 pants and XL shirts. Chaz wears size 30 wranglers, L shirts button ups. I really don't know what to put for them just try to include them somehow so they have something to open on Christmas with everyone else.

I hope this is a good enough Christmas list, I have tried to list different types of things for everyone in my household. As always we are not picky. I just want my children to have the best Christmas possible. I am so Thankful for the Car Club and All of its members for helping my family! I hope one day I will be able to help back some how.

Thanks Sherry
